2 Whose products do we offer?

- For most insurances we are able to offer products from a wide range of providers constituting a fair and personal analysis of the market
- For a limited number of insurances including Legal Expenses, Home Emergency, Motor Breakdown and other Motor associated products, we only deal with one or two specialist Insurers and will advise you their details before concluding any sale.
- For internet sales we only use a small panel of Insurers and their names will be displayed on-line.

3 Which service will we provide you with?

- We will advise and make a personal recommendation for you after we have assessed your needs.
- You will not receive advice or a personal recommendation from us for internet sales. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice about how to proceed.

4 What will you have to pay us for our services?

- A fee for administration costs may be charged if you take out insurance with us. See our Terms of Business Agreement for details.
